Research Interest

To pursue a research-based career in Mathematics in data science & Computational Mathematics, I am especially interested in Applied Mathematics, Data Science, Machine Learning, Optimization Techniques, Statistical Modeling, Computational Mathematics, and Financial Mathematics.

Education

- Continuing **PhD in Computational and Applied Mathematics**, *Concentration in Mathematics in Data Science*, 4th Year, Department of Mathematics & Statistics, Old Dominion University (ODU)
- May 2024 **MS in Data Science**, *Department of Mathematics & Statistics, Old Dominion University (ODU)*
- November 2021 **Master of Science (MS)**, *Department of Mathematics, University of Dhaka.*
- February 2019 **Bachelor of Science (BS) in Mathematics**, *Department of Mathematics, University of Dhaka (DU)*

Research

Current research

- Title *On the Convergence rate of the Least Trimmed Squares Algorithm*
- Ongoing *Project on Maximum Trimmed Likelihood Estimation*
- Supervisor Dr. Michael Pokojovy, *Old Dominion University, VA*

Independent Research

- Title *Equilibrium dynamics in biased inverse-proportional group attraction model*

Group Research

- Title *Comparing EPGP surrogates and Finite Elements under Degree of Freedom parity*
- Supervisors Dr. Bogdan Raita, *Georgetown University, VA* &
Dr. Michael Pokojovy, *Old Dominion University, VA*
- Title *A study of Dimensionality Reduction Techniques for Big Data*
- Coordinator Dr. Kumer Pial Das, *University of Louisiana at Lafayette*
- Supervisor Dr. Gopal Nath, *Murray State University, KY*

Bachelor Project

- Title *Real World Application of Linear Algebra.*
- Supervisor Dr. Salma Nasrin, *University of Dhaka, Bangladesh*

Programming Languages and Computational Software

Python, R, MATLAB, FORTRAN

Document Preparation System

L^AT_EX, Microsoft Word, Microsoft Power Point

Work Experiences

GTA Fall '22-Present Working as GTA at ODU

VP Aug '24-Present Mathematics & Statistics Club at ODU

GS 2023-'25 Bangladeshi Students Association (BDSA) at ODU

Conference Presentations & Talks

1. Gave a talk at the Math Awareness Conference (2025), Old Dominion University, Norfolk, VA.
2. Gave a talk at the Applied Math and Data Analysis Conference (2025), Norfolk State University, Norfolk, VA.
3. Presented a poster of my work at the VA ASA conference at Virginia Technological University, Blacksburg, VA.

Scholarship and other Awards Received

Award Award Won 3rd (position) prize at district level Chemistry Olympiad and stood first in college level mathematics competition.

Organisational and Leadership Skills

1. Organized Math Awareness conference at ODU, 2025
2. Organized Intra departmental quiz competition, Department of Mathematics, DU.
3. Volunteered at conference organized by CIMPA at DU and Blood Donation Campaign (BADHON, DU)

Languages

Bengali Native Language

English Fluent
